<b>12<sup>TH</sup> GRADE</b>	<b>1:30 – 3:00pm</b>
------------------------------	----------------------

**AOC classes begin Tuesday, August 13, 2019.** High school class hours are listed on the student's class schedule. Students should arrive 10-15 minutes before the start of their first class each day.

**COC classes begin Monday, August 19th.** Students should verify their college classes in their MyCanyons accounts on the COC website at [www.canyons.edu](http://www.canyons.edu). All AOC students **MUST ATTEND** the first day of their college classes or they will be immediately dropped from the COC class. Students will have an opportunity to locate their COC classrooms prior to the first day of college classes. During the first two weeks of every college term, traffic surrounding the college is very heavy. Please allow sufficient time to arrive as this can be challenging!

Finally, I remind you of the special opportunity and responsibility afforded all our Academy students. Performance, attendance, and conduct in the college setting determine how the college faculty and staff perceive our middle college students for years to come. I am confident you will honor our high expectations for continuing the tradition of excellence as you experience **"Your Future Today"** at Academy of the Canyons Middle College High School.

Enjoy the remainder of your summer!
